

Rethinking Corruption in India | HS8.401 | Monsoon 2025 | IIIT-H
Class Exercise 1 | Facilitated by TA (Regina Gurung)
Instructor: Dr. Aniket Alam

Question

Draw a concept map showing how the four definitional frames of corruption (economic, political, sociological, moral) relate to each other.

- Include at least two examples under each frame. (8)
- Show overlaps or tensions between frames with connecting arrows and short labels. (4)
- Explain the connections and breaks you give; are there alternatives possible? (8)
