Introduction to History (HS3.201)

Mid Sem Exam

Max. Time: 90 mins

Max. Marks: 60

22 Sept 2026

Instructions

- **Section A:** Answer any five questions in about 100–120 words each.
- **Section B:** Answer one question in about 300 words.
- **Section C:** Answer one question in about 400 words.

SECTION A | 25 marks

1. How does the comparison between a historian and a detective help us understand historical investigation?
2. What is the difference and similarity between memory and a historical source?
3. Why did standard time become necessary with the expansion of railways and modern communications?
4. What is meant by the "creation of space"? Explain with reference to one example discussed in class.
5. What assumptions about historical change does this idea of "history as progress" contain?
6. What are the main assumptions and claims of materialist history?
7. How does quantitative change become qualitative in dialectics?

SECTION B | 15 marks

8. What larger historical processes, other than technological improvement, were involved in the making of modern time?
9. Do you think there was a potential for the development of capitalism in India during Mughal and Colonial periods?

SECTION C | 20 marks

10. What role does fact play in deductive methods of historical investigations. Give illustrations and examples from your readings.
11. What is the role of labour and surplus in understanding historical change?
